

## PA State Championship Guidelines

1. All teams must check in with the tournament director a minimum of 1 hour before their first scheduled game.
2. All teams **MUST** have their copy of the current ASA of PA registration form and be prepared to provide it upon request by the tournament director.
3. All players **MUST** have a valid, current photo ID and be prepared to show it when requested. Players will be checked in as a team. The whole team, including "pick-up" players, must check in together. Players will be required to print & sign their name on a sign in sheet. Each player will be required to provide their uniform # on this sheet also.
4. All "pick-up" players **MUST** be on the official ASA "pick-up" player form. This form must be complete and be signed by your District Commissioner or their designee. Pick up Players **MAY NOT** be picked up from the team that they are about to play for and may only be of equal classification or lower.
5. All bats that are being used in the tournament must be submitted and pass the current established ASA National equipment standards. Equipment that fails this test will be dealt with in accordance with the current ASA of PA equipment policies. (*Policy will be posted at the equipment testing station and by the Tournament bracket*)
6. All teams must fill out official lineup cards. Cards will be provided by the tournament director.
7. Lineup cards must be turned in to the home plate Umpire prior to the start of every game. Any card that is not complete or is illegible will be rejected and the team will have 5 minutes to correct it or the game will be forfeited.

### Uniform Code:

8. Class D & E only require matching shirts now. This is a National rule change. This **WILL BE** strictly enforced. This also includes pick up players. If a team does not have a matching shirt for a player then that player **DOES NOT** participate. A different "team" shirt is no longer acceptable.

9. Class C must have matching uniforms period.

Failure to meet and adhere to the **ALL** of the above Guidelines may result in you being ineligible to play.
